

# Friends of Chester Walls

The Friends of the Walls, a new organisation working with the support of Chester Civic Trust and CW&C, is seeking volunteers to help at Kings Charles' Tower and The Water Tower. Volunteers are needed at weekends from May to the end of September to help visitors enjoy seeing inside the towers. Training and support will be provided. Volunteers are asked to help for a minimum of 2 and a half hours once a fortnight.

Volunteers will work in teams of 2 or 3. As the project develops opening may extend to Bank and School holidays or occasional weekdays or evenings.

Further information from [friendsofchesterwalls@gmail.com](mailto:friendsofchesterwalls@gmail.com) or letters addressed to Paul Dovey, Friends of the Walls, can be left at the Civic Trust office.
