

The Chester Civic Trust

## Event at Bishop Lloyd's Palace

### Steve Thrower Men in Sheds

Continuing our popular series of occasional afternoon lectures, Steve will tell us about a project started by Age UK to provide a place for older men to share and learn new skills and socialise. He will tell us about local sheds that contain workshops, woodwork and computer facilities: all set in a friendly atmosphere where people can get together in a cooperative way.

Participants also use their skills to create items such as gifts for family or, to donate to local charities including recently, a bench for the Claire House hospice in Ellesmere Port.

Steve is a local coordinator for the Sheds initiative and has a good story to tell.

**Wednesday 30 April at 2.30 pm**
